DATASHEET / BROCHURE

Enjoy an impressive display of up to 375 inches, perfect for immersive home entertainment or dynamic business presentations

Experience immersive entertainment and dynamic business presentations with this affordable WXGA lamp projector. Compact and lightweight with an easy setup, it offers high-tech features and impressive large display up to 375 inches. Thanks to Epson's 3LCD technology with 4,000 lumens Colour Light Output (CLO), you will enjoy vibrant and detailed lifelike images, even in bright ambient light rooms

Affordable, high visibility large displays
Bring the big-screen experience to your home, home office, or small business with this affordable yet feature-packed WXGA lamp projector. Enjoy immersive entertainment or deliver dynamic business presentations on a impressive large display of up to 375 inches.

Superior image quality
With an impressive 4,000 lumens of brightness and a 16,000:1 contrast ratio, this WXGA lamp projector delivers vivid, lifelike images with defined shadow detail. Powered by Epson's 3LCD technology, it offers up to three times brighter colours compared to 1-chip DLP projectors*.

Long-lasting solution
With this model's long-lasting lamp light source, you can enjoy a big screen experience for up to 18 years*

Built-in speakers
The built-in 2W mono speaker delivers powerful sound, ensuring clear audio even in larger rooms, so you don’t need to prepare additional speakers

Enhanced connectivity
Equipped with 2x HDMI ports to easily connect multiple devices, supporting split screen functionality

Refreshingly easy setup
Enjoy effortless setup with the auto power-on function, which detects signals from connected devices and starts automatically, ensuring an easy to use experience
